WE ONLY ACCEPT ORDERS WHEN WE'VE CHECKED THEM

We will contact you to confirm we've received your order and then again to confirm we've accepted it. The order will detail the services and your event date, which will include 'dry' hire and/or 'wet' hire equipment and services (or a mixture of both); and we will provide those services to you along with explaining the duration of the hire and associated charges for those services.

Payment is taken before an email confirmation of the order is sent to you. For online orders, order details are confirmed on our website prior to you accepting and paying for that order, after which these terms and conditions will come into force. Once the order has been placed then an email confirmation is sent in accordance with the above.

We are happy to advise or demonstrate equipment beforehand. However, it is your responsibility to ensure that what you have ordered / booked is suitable for your specific venue, use and event, including audio compatibility, signal range, and local interference.

DELIVERY

We will use reasonable endeavours to deliver our equipment and services to you by the agreed delivery date. For 'wet' hires and event production services, we may need to install equipment at your premises. If so, your duly authorised representative shall be present at the installation.

To facilitate delivery (and any installations where applicable), you shall provide all requisite materials, facilities and access to premises to enable delivery and installation to be carried out safely and expeditiously.

You agree to count and check all equipment within six (6) hours of delivery and notify us of any discrepancies. If this step is missed, our warehouse dispatch records will be considered the definitive record of what was supplied.

All equipment is tested before dispatch. If any items are non-functional on arrival, please notify us **before** your event begins. These items will not be chargeable. Clearly mark faulty items before return (e.g. label or bag them separately). If you do not test the system before the event, we cannot guarantee timely support or offer refunds for technical issues.

SOMETIMES WE REJECT ORDERS

Sometimes we reject orders, for example, because equipment is unexpectedly out of stock, because a credit reference we have obtained is unsatisfactory, because we can't verify your age (where any products are age-restricted), because you are located outside the UK, or because the equipment was mispriced by us. When this happens, we let you know as soon as possible and refund any sums you have paid.

WE CHARGE YOU WHEN YOU ORDER IN FULL PRIOR TO DISPATCH

Payment is taken before an email confirmation of the order is sent to you. For online orders, order details are confirmed on our website prior to you accepting and paying for that order.

However, for some equipment and services we take payment at regular intervals, as explained to you during the order process. You will not own any of the equipment supplied to you under hire, and such equipment shall, at all times, remain our property.

DEPOSITS AND DAMAGE

Products must be stored securely and used responsibly until they are collected. You shall be liable for any loss or damage while the products are in your possession.

For 'wet' hires (including the additional services of Boom Disco technical and event staff) we will retain responsibility for all transmission equipment in your care while on site and will provide operational support to you. However, responsibility for loss and damage to headsets will be your sole responsibility.

We reserve the right to charge a deposit payment in advance against any default by you of any payment under the contract and/or to cover any loss of or damage to the equipment. If you fail to make any payment under the contract, or you cause any loss or damage to the equipment (in whole or in part), we shall be entitled to use the deposit against such default, loss or damage.

Notwithstanding any other provision in these conditions, we reserve the right at any time to apportion such deposit as part-payment towards our equipment and services.

If any equipment is missing or unrepairable upon return, you agree to pay the following replacement fees (per item):

- Wireless Headphones – £45.00
- BG836 Transmitter – £50.00
- BG80 Pro Transmitter – £240.00
- Media Tablet – £150.00
- Adapters – £12.00
- 16-Head Chargers – £24.99
- 48-Head Chargers – £125.00

- Other equipment (e.g. DJ gear, lighting, mics, PA systems) will be charged at standard retail price for new equivalent items.

It is your responsibility to ensure that all equipment post-event is present and correct. It will also be your responsibility to ensure that such equipment is clean, dry and repackaged in the original packaging in which it was supplied to you, securely sealed with the security tags provided by us.

WE CHARGE INTEREST ON LATE PAYMENTS

If we're unable to collect any payment you owe us we charge interest on the overdue amount at the rate of 4% a year above the Bank of England base rate from time to time. This interest accrues on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after judgment. You pay us the interest together with any overdue amount.

WE PASS ON INCREASES IN VAT

If the rate of VAT changes between your order date and the date we supply the equipment, we adjust the rate of VAT that you pay, unless you have already paid in full before the change in the rate of VAT takes effect.

WE'RE NOT RESPONSIBLE FOR DELAYS OUTSIDE OUR CONTROL

If our supply of your equipment is delayed by an event outside our control, we will contact you as soon as possible to let you know and do what we can to reduce the delay. As long as we do this, we won't compensate you for the delay, but if the delay is likely to be substantial you can contact us at: info@boomdisco.com to end the contract and receive a refund for any services you have paid for in advance, but not received.

PRODUCTS AND SERVICES CAN VARY SLIGHTLY FROM THEIR PICTURES

The equipment's true colour, dimensions, specification, control button position and/or function may not exactly match that shown on your device, in our marketing, or its packaging may be slightly different.

WE CHARGE YOU IF YOU DON'T GIVE US INFORMATION WE NEED OR DO PREPARATORY WORK AS AGREED WITH US

We charge you additional sums if you don't give us information we've asked for about how we can access your property for delivery, installation or to provide services or if you don't do any required preparatory work for installation, as agreed with us. For example, we might need to re-deliver items, reschedule services or otherwise.

IF YOU BOUGHT ONLINE OR OVER THE TELEPHONE, YOU HAVE A LEGAL RIGHT TO CHANGE YOUR MIND

Your legal right to change your mind. For most of our services bought online, or over the telephone, you have a legal right to change your mind about your purchase and receive a refund of what you paid for it, including the delivery costs. This is subject to some conditions, as set out below.

Your legal rights
14 days to change your mind, online, telephone, or mail order sales only.
You pay costs of return (if applicable).

When you can't change your mind. You can't change your mind about an order for:

- services, once these have been completed;
- goods that are made to your specifications or are clearly personalised; and
- goods which become mixed inseparably with other items after their delivery.

The deadline for changing your mind. If you change your mind about our equipment hire and/or associated event production services, you must let us know no later than 14 days after the day we confirm we have accepted your order (provided that the date of your event is not within that 14-day period).

How to let us know. To let us know you want to change your mind, contact our Customer Service Team: info@boomdisco.com.

We only refund standard delivery costs. For example, we don't refund any extra you have paid for express delivery or delivery at a particular time.

You have to pay for services you received before you change your mind. If you bought a service (such as our event production services) we don't refund you for the time you were receiving it before you told us you'd changed your mind.

We reduce your refund if you have used or damaged equipment. If you handle the equipment in a way which would not be acceptable in-store, we reduce your refund, to compensate us for its reduced value. For example, we reduce your refund if the equipment's condition is not "as new", the equipment is damaged or accessories are missing. In some cases, because of the way you have treated the

equipment, no refund may be due. Our Customer Service Team (info@boomdisco.com) can advise you on whether we're likely to reduce your refund.

When and how we refund you. If your product is a service or goods that haven't been dispatched or that we're collecting from you, we refund you as soon as possible and within 14 days of you telling us you've changed your mind. If your product is goods that you're sending back to us, we refund you within 14 days of receiving them back from you (or receiving evidence you've sent them to us). We refund you by the method you used for payment. We don't charge a fee for the refund.

We reserve our right to charge you for any losses or damages we suffer arising out of, or in connection with, any missed collections or late returns of the equipment including any direct losses we suffer as a result of such equipment not being available for other customer events.

YOU CAN END AN ON-GOING CONTRACT (FIND OUT HOW)

We tell you when and how you can end an on-going contract with us (for example, for regular services) during the order process and we confirm this information to you in writing after we've accepted your order. If you have any questions, please contact our Customer Service Team at: info@boomdisco.com.

If a time hasn't been agreed upfront, it must be carried out within a reasonable time.

WE CAN CHANGE PRODUCTS AND THESE TERMS

Changes we can always make. We can always change equipment:

- to reflect changes in relevant laws and regulatory requirements; and
- to make minor technical adjustments and improvements. These are changes that don't affect your use of the equipment.

Changes we can only make if we give you notice and an option to terminate. We can also make the following types of change to the equipment or these terms, but if we do so we'll notify you and you can then contact our Customer Service Team (info@boomdisco.com) to end the contract before the change takes effect and receive a refund for any equipment you've paid for in advance, but not received.

- you don't, within a reasonable time of us asking for it, provide us with information, cooperation or access that we need to provide the equipment or services;
- you don't, within a reasonable time, either allow us to deliver the equipment to you or collect it from us. If you have said you will collect equipment but you don't do this on the agreed collection date then (unless the equipment is made to your specifications) we treat your order as cancelled and refund the purchase price subject to the 'Cancellations' section below.

WE DON'T COMPENSATE YOU FOR ALL LOSSES CAUSED BY US OR OUR EQUIPMENT

We're not responsible for losses you suffer caused by us breaking this contract if the loss is:

- **Unexpected.** It was not obvious that it would happen and nothing you said to us before we accepted your order meant we should have expected it (so, in the law, the loss was unforeseeable).
- **Caused by a delaying event outside our control.** As long as we have taken the steps set out in the section We're not responsible for delays outside our control.
- **Avoidable.** Something you could have avoided by taking reasonable action.

To the extent that you use equipment for the purposes of your trade, business, craft or profession then, save in respect of any liability which cannot legally be limited, our total liability to you for all losses arising under or in connection with any contract between us, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall be limited to what you paid for the equipment and services and all claims for loss of profit or indirect or consequential loss are wholly excluded.
