

MORE FUN, LESS FUSS: THE SCHOOL DISCO, UPGRADED!

Looking for a unique spin on the classic school disco or to raise money in style?!

At Boom, we help to bring the party with wireless, multi-channel headphones, easy plug-and-play setup, and zero stress for staff or organisers.

Whether it's a leavers' celebration, PTFA fundraiser or end-of-term blowout, our technology turns up the fun, keeps things inclusive, and creates exciting shared experiences that students love.

WHY CHOOSE BOOM TECH FOR YOUR SCHOOL EVENTS?

- ✦ **Comfort Focused Design:** Designed for comfort, clarity, and ease of use. Our lightweight, market-leading headphones deliver immersive experiences for children and adults, from Nursery to Sixth Form.
- ✦ **Simple 3-Button Controls:** Intuitive for children, easy for teachers and volunteers.
- ✦ **Bright LED Channel Lights:** Each channel lights up a different colour, easy to spot and fun to use!
- ✦ **Passive Noise Isolation and Crystal Clear Sound:** Crystal-clear audio and reduced external noise to create an immersive, inclusive experience. Perfect for schools, sensitive areas, and students with sensory needs.
- ✦ **Three Music Channels:** Let students choose their own vibe! From chart hits to party classics or themed playlists. Great for all ages and tastes.
- ✦ **All-Day Battery Life:** Over 9 hours of use allows for multiple sessions or even all-day summer fetes.

- ✦ **Outstanding Wireless Range:** Ideal for large halls, gyms, or even outdoor spaces.
- ✦ **Flexible Functionality:** Go big with DJ or teacher led sessions, alternatively keep it calm with pre-curated playlists. Our silent discos can be as energetic or soothing as your setting requires.

**TRUSTED BY OVER 270,000 GUESTS ACROSS
OUR NATIONAL EVENTS. NOW AVAILABLE FOR
SCHOOLS NATIONWIDE**

Per Student

150 Headphones

Termly Package

(3x bookings over the academic year)

£966 inc VAT

All packages include delivery & collection nationwide.

Flexible hire durations available. Need to break up the cost? Ask about our split payment options.

Because our headphones last up to 9 hours, schools can run separate KS1 and KS2 discos using the same set, meaning 100 pupils only need 50 headphones. It's a simple way to cut costs without cutting the fun

Lighting and Disco effect packages also available from £70

WHY SILENT DISCOS WORK FOR SCHOOL FUNDRAISING

At Boom, we're proud to have helped schools all across the UK raise vital funds for books, sports equipment, classroom tech, and even playground upgrades!

- ✦ **Noise-Controlled:** No loudspeakers = happy neighbours, staff and volunteers!
- ✦ **3 Music Channels:** High engagement = high turnout!
- ✦ **Neurodivergent Friendly:** Our noise-isolating headphones let every pupil enjoy the event at their own volume and pace.
- ✦ **No DJ Required:** Skip the expensive DJ hire with our included playlists and tablets.
- ✦ **Plug & Play Simplicity:** We provide everything, no technical expertise needed.
- ✦ **Raise More Per Event:** Boost revenue by combining your Silent Disco with a tuck shop, exciting glow merch stand or raffle.
- ✦ **Flexible & Scalable:** we've got packages to fit every size and budget—complete with national delivery and collection.

**RAISE UP TO £1,284 PER YEAR
BEFORE ANY FOOD AND BEVERAGE SALES!"**

MORE THAN A SCHOOL DISCO IT'S A FULL FUNDRAISING KIT YOU CAN RUN IN MINUTES!

With our exclusive termly offers, PTFAs and Schools can host fun and hassle-free events that seriously boost the fundraising total as well. Simply book once, run three fundraisers, one for each term. Check out the proven model below:
